TELE-ICU: SAVES LIVES, SAVES MONEY

NEHI released a new report this month on the clinical and financial benefits of tele-ICU, a remote monitoring technology that can address the shortage of critical care specialists, improve patient care and lower costs.

Massachusetts Health and Human Services Secretary Dr. JudyAnn Bigby, Massachusetts Technology Collaborative Executive Director Mitchell Adams and NEHI President Wendy Everett.

HEALTHY PEOPLE/HEALTHY ECONOMY COALITION ANNOUNCES COMPREHENSIVE PUBLIC HEALTH AGENDA

NEHI and the Boston Foundation unveiled the Healthy People/Healthy Economy agenda last month at an event held at the Massachusetts State House. Joined by members of the leadership group such as Jim Roosevelt, Jr. of Tufts Health Plan and Dr. Lauren Smith of the Massachusetts Department of Public Health, the coalition announced its four-prong policy platform centered around stemming the rise in chronic illness in Massachusetts.
