INNOVATION IN AN ERA OF PAYMENT REFORM: *How Will Bundled Payments Impact Innovation?*

A NEHI EXPERT ROUNDTABLE

July 10, 2014

8:30 AM

8:30 AM: Registration and Breakfast

9:00 AM: Roundtable Discussions

As new payment and delivery models are evolving, interest in bundled payments is rising. Several Medicare and Medicaid demonstration programs are underway and numerous commercial payers and employers are entering into bundled payment arrangements with providers. These promise to impact clinical and value-based decision-making, and alter the way health care is delivered. Hear about the current state of bundled payments, including case examples; the benefits, risks and barriers to their expanded use; and join the discussion on what this will mean for the innovation ecosystem and for patients.
